CORONAVIRUS

General Protective Measures

- **Stay at home** if you have **typical corona symptoms** such as a high temperature and/or cough.
- **Keep at least 1.5 m** protective distance to others!
- **Wear mask** if the protective distance is not reached.
- **Wash your hands** regularly and thoroughly with **soap and water** for **20 seconds**, especially after going to the toilet and before consuming any food.

- **Do not touch your face** with your hands.
- **Do not shake hands.**
- **Avoid face-to-face meetings; alternatively, use telephone and video conferences.**
- **Avoid crowds of people.**

- **Cough and sneeze into the inside of your elbow or handkerchief, not into your hand.**
- **Ventilate interiors regularly.**
- **Separate use of hygiene articles and towels.**
- **Clean skin and hand contact surfaces regularly.**
